

MISSION

Architecture Center Houston

is dedicated to promoting awareness, understanding, and appreciation of Houston's built environment. As a member of ArCH you will be supporting local initiatives in architecture and urban design to enhance the quality of life in the greater Houston community. There are no membership requirements other than an interest in the built landscape including environmental responsibility, urban design, interior design, public art, and landscape architecture. Members of the Houston Chapter of the American Institute of Architects are automatically ArCH members.

ArCH is a collaboration of AIA Houston and the Architecture Center Houston Foundation.
