II Site

1. Each team is provided the following sites:
 - a. Sand Sculpting Site: approx. 22'-0" Wide x 25'-0" Deep.
Designated for sand sculpture with a shared 5'-0" walkway between the sites.
 - b. Team Setup Site: approx. 22'-0" Wide x 30'-0" Deep.
Designated for all tents, building materials, supplies, etc.
2. Teams may not combine sites.
3. An additional 5'-0" walkway will be fenced on the public side to protect the sand sculptures from the spectators and to be used by the Judges / Event Officials. This is not part of the team plot and should be kept clear at all times.
4. Teams may not move any sand prior to the start of the competition but may set up their area and remove any seaweed that has accumulated. Formwork may be assembled as long as sand is not moved.
5. Teams are responsible for obtaining and installing a tent at their site. AIA Houston coordinates university student team tents.
 - a. Maximum Team Tent size is 15' wide x 30' deep, installed at midpoint of the tent zone. Do not allow tent supports or ties to encroach upon the shared walkway.
 - b. Team Tent shall be installed just behind the sand sculpting site.
 - c. No shade canopies are allowed over the sand sculpting site.

6. Each team shall recycle plastic, aluminum, and cardboard within their own tent and is responsible for proper removal of all trash, equipment, formwork, etc. from the beach at the end of the event. Recycling and landfill boxes will be provided.
 - a. Landfill and recycle responsibilities:
 - 1 Teams to sort out landfill items and recyclable items at their site.
 - 2 Volunteers will pick-up recycle bags from your site 3 times during the competition.
 - 3 **Volunteers will not pick-up your landfill bags.** Teams must take their full landfill bags to the Eco Stations located along the center of the main pedestrian walkway between the teams and sponsors.
 - 4 Waste will be collected by Galveston parks personnel during and after the event from the Eco Stations.
 - b. Miscellaneous cardboard should be placed flat on the ground at the Eco Stations.
 - c. Each team will be fined \$100 for anything other than the rental tent and sign left on their site after completion of the competition.
 - d. Refer to section III, Paragraph 3 for more information about formwork.
7. Vehicle access to the beach at the end of the day around 6:00 PM is permitted after the police and Parks Board determines that the crowds have thinned sufficiently for safe access for removal of these items.
8. Sites may be accessed by vehicles with Shore Line access pass for unloading from 6:30 AM until 9:00 AM.
 - a. No vehicles will be permitted on the beach, other than described above.
 - b. Galveston P.D. will control access and give permission to drive on the beach/ shore line area, but will not allow vehicle access outside of these times outlined above.
9. One vehicle Shore Line access pass will be distributed to each team.
 - a. Only one vehicle per team is allowed on the beach at a time.
 - b. A pass may be moved from vehicle to vehicle.
10. Trailers for material storage or barbeque pits must be detached from the vehicle and parked behind the team plot in a manner that does not hinder or intrude upon adjacent sites.
 - a. Take coals with you; do not bury them in the sand.
 - b. Propane is allowed for cooking only.
11. ATVs (All Terrain Vehicles) are not allowed during event hours.

III SandCastle Building Materials

1. Sculptures must be made of sand and water only. No other materials or additives are allowed in the sculpture.
2. Each Team will be provided approximately 10 cubic yards of sand inside their site area.
 - a. Teams may gather additional sand from the extra shared sand piles at the official start time.
 - b. There is no guarantee of additional sand or the proximity of the extra sand to your site.
 - c. Extra shared sand piles are for all teams, regardless of their proximity to sites.

3. Each Team is permitted to use formwork for building their sand sculptures provided they utilize sound judgment and do not endanger participants or spectators.
 - a. Formwork can be placed within the plot before the start of the competition provided that NO sand is moved within the plot for its setup.
 - b. Formwork, rebar, etc. may not be incorporated into the sand sculpture.
 - c. With spray paint or marker, clearly label all panels of your formwork with your team number.
 - d. Formwork shall not be left behind in the shoreline, team, or event area. Formwork must be taken with you at the end of the event, the forms will not be recycled by the City of Galveston this year.
