Why Become a Professional Affiliate Member?

Are you a building industry professional? Do you work with architects? Would you like to expand your professional network? If you answered "yes" to any of these questions, you are already a member of the Houston Chapter of the American Institute of Architects in spirit...it's time to become one in fact!

The chief benefit for all Affiliate Firms is the consumer friendly, searchable industry directory on our Website. Go to www.aiahouston.org and click on "Find a Firm" to see how it works. Lots of people do—hundreds per day. This directory is a source for developing business alliances as well as a means for prospective clients to find you.
